

Hydraulic power pack 15,9kW

Type: HPU-15,9-60-01

This HPU is equipped with a variable plungerpump which is driven by a 15.9kW Hatz Diesel engine. It's possible to connect the HPU with quick connectors. It's also possible to supply a separate operating valve.

The frame of the unit is provided with lifting eyes and is by means of swivel wheels easy to move by hand. This makes the HPU very practical for workplaces where there is no electric power or forklift available.

Dimensions:

Height incl. exhaust	182 cm
Height ex. exhaust	120 cm
Width:	150 cm
Depth:	83 cm
Weight:	550 kg

Characteristics:

Fluid capacity:	80 litre
Diesel fluid capacity:	20 litre
Pump displacement:	60cc
Output flow at max RPM:	90 L/min at 50 bar 88 L/min at 75 bar 80 L/min at 100 bar 58 L/min at 125 bar 42 L/min at 150 bar 30 L/min at 175 bar 20 L/min at 200 bar

Diesel engine power:	8,5kW at 1500 RPM 12,9kW at 2000 RPM 15,9kW at 2500 RPM
----------------------	---

Hydraulic connections:	1/2" male quick connector for the pressure 3/4" male quick connector for the return 3/4" male quick connector for the drain We can change the quick connectors if requested.
------------------------	---

Facilities:	Returnfilter, swivel wheels, lifting eyes.
